Experience

UX Design Student | General Assembly

12.2016 - Present
Washington, DC

- Successfully completed a rigorous, project-driven 10-week boot camp, focused on design thinking, business strategy, UX methodologies, software tools, and client relations.
- Completed five comprehensive projects, including an online ordering recipe website for Instacart. Implemented concepts and design for a dating app's landing page, leveraging Sketch, Photoshop, Illustrator, and CSS/HTML/JQuery.
- Worked with others to create a donation feature concept for the Venmo. Served as lead on visual design.

Graphic Designer | DC Chinese Film Festival

04.2016 - Present
Washington, DC

- Created sketch in Illustrator for 3D print products.
- Planned and designed promotional materials - posters, flyers, and email blasts.
- Provided/edited images for social media, press releases, print and digital ads, etc.
- Devised reusable templates that enable non-designers to use/edit.

Graphic/Web Designer | Exploraa LLC

12.2013 - Present
Sterling, VA

- Convened with clients/account managers to discuss business objectives and job requirements.
- Interpreted client's business needs to develop a concept to suit their purpose.
- Developed/presented design briefs through information gathering and data research.
- Edited final product to insure accurate, high-quality work.

Senior Consultant | Lam & Associates, Ltd

03.2011 - 11.2013
Annandale, VA

- Interviewed clients, analyzed their financial reports to determine needs and expectations.
- Consulted on a variety of commercial and personal insurance.
- Assisted clients to report claims and provided translation.

Senior Coordinator | NYK Logistics China Co., Ltd.

04.2005 - 04.2010
Shanghai, China

- Validated documents and scheduled Customs Clearances.
- Coordinated clients communication to insure strong customer service.

Projects

UX Designer | Viva Green Homes Via General Assembly

- Redesigned website to include user research, user flow, wire-framing, and prototyping.
- Conducted user interviews, usability tests, Adobe Suite, Sketch, InVision and Keynote.

Graphic Designer | famulei.us

- Conducted research, designed the icon, fliers, and a portion of the website through interviews and Adobe Suite.

Graphic Designer | 5xx Pro

- Designed the logo and workflow process for the website using Adobe Suite.
